The opportunity is now available again to be at peace with God and neighbour through Reconciliation, every Saturday, 5:30pm in St Mary's, Derrytrasna. This wonderful sacrament is a source of strength in changing for the better, as much about the future as about the past. **Come back to me, with all your heart, for I am kind and full of compassion.**

COVID-19 RESTRICTIONS

The legal requirement for face coverings in churches is that they must be worn on entering and exiting the building. For the time being, **the Irish bishops continue to strongly recommend and encourage the use of face coverings throughout all events in churches.** We advise all parishioners to exercise continued caution and vigilance as cases of the virus continue to circulate.

*Sanitise your hands

* Keep your distance

* Get your vaccine

Those displaying symptoms of Covid-19 should stay at home and arrange a test.

SOCIAL DISTANCING

Both parish pastoral councils and sub-committees have agreed to reduce the social distancing in all our churches. This means there will be a gap of one pew between occupied seats from now on, rather than two. There is now no limit on those who may attend a baptism, but masks should be worn by all using the church (see above).

DAY FOR LIFE 2021

The Good Samaritan: A Model for Compassion

In the context of the recent proposal to introduce assisted suicide, both in Ireland and Britain, this year's message invites Catholics to consider a more positive and compassionate response to the care of people who are in the final stages of life.

The Catholic Church's approach to end of life care is well articulated in the recent Vatican document *Samaritanus bonus* on the care of persons in the critical and terminal phases of life. In that document we are reminded that Jesus gave us the image of the good Samaritan as the model for our compassion and our solidarity with those who find themselves vulnerable and who fear being abandoned in their final illness. The Good Samaritan is one who 'crosses over', who 'binds up wounds' and who, most important of all 'stays with' the person for as long as is required.

The Hospice Care Movement fosters a culture of living well until the end. By doing normal things with people who are terminally ill, we can contribute to fostering their sense of being 'normal', which can often be undermined by the 'routine of illness'. The experience of presence, companionship and even the acceptance of limitation and dependency, when we take time to appreciate them, can greatly enrich the later stages of life.

REDRESS SCHEME

The Diocese of Dromore has opened a Redress Scheme for survivors and victims of sexual abuse perpetrated by members of the clergy and others acting under the authority of the Diocese. Details of the Scheme can be found on the following website: www.dromoredress.org Let us continue to keep foremost in our prayer all who have been tragically abused.

SEASON OF CREATION

This Monday (feast of St Francis of Assisi) brings the Season of Creation to a close. In Moyraverty, students of Lismore Comprehensive School planted daffodils in the grounds of St Anthony's last week, and the pupils of St Mary's Derrytrasna and St Patrick's Aghacommon will be planting trees in the grounds of their schools, an initiative of the parish pastoral councils.

Many thanks to the flower-arrangers in all the churches who have arranged beautiful displays before the altar, bringing out the splendour of nature throughout the past month. And a huge thanks to all the parishioners and donors who have contributed to the food appeal in both parishes for the past week. These fruits of the earth will be made available to those who need them most in the coming days. Donations of non-perishable food may be left in the churches until doors close on Monday evening.
