OCTOBER: MONTH OF THE ROSARY

Every year we are called to renew prayer with Our Lady in the rosary during the month of October. This year in particular when prayer in the home has been so important during social restrictions, Archbishop Éamon encourages us in our families to pray the rosary together, at least one decade, each day of October.

In Seagoe parish, we invite families to join us for the rosary in **St Mary's Derrytrasna at 6:30pm each Wednesday** in October. All members of the same household/bubble may sit together. Mass follows at 7:00pm. Rosary beads and guides to praying the rosary will be provided for personal use, especially for children. And do make the effort to continue the rosary at home each day of October for Our Lady's help at this challenging time.

In **St Patrick's Aghacommon, the rosary will follow the 10:30am Mass** on Tuesdays and Thursdays during October.

In Moyraverty parish, all are welcome to the rosary at **9:00am in St Anthony's, Monday to Friday.**

SEASON OF CREATION

1 September - 4 October

Duty not to Waste Water

It is a duty of everyone to not waste water and moderate consumption. To transport, purify and consume water costs and requires energy... The Church, therefore, has reaffirmed the importance of moderation in consumption of water and calls for responsibility from administrations, businesses and individual citizens for sobriety.

What are the different ways in which people waste water? What could we do to create awareness about wastage of water?

Lord, we are sorry for taking the gift of water for granted because of our careless misuse and negligence. Give us your grace to preserve and conserve water which is a source of human life. We ask this through Christ our Lord. Amen.
